**Form 990 - Organization's Mission**

HELP of Southern Nevada (Organization) is a nonprofit corporation whose mission is to assist families and individuals throughout Southern Nevada to overcome barriers and attain self-sufficiency through direct services, training and referral to community resources. The Organization is primarily supported through government grants, program fees, and contributions from the general public.

**Form 990, Part III, Line 4a - First Accomplishment**

HELP of Southern Nevada (HELP) has been providing housing and case management to homeless individuals/families for over twenty-five years. HELP has been working with the chronically homeless population since 2005 when the pilot project Organizations United to Reach Educate and Assist the Chronically Homeless (O.U.T.R.E.A.C.H.) began. This project was implemented to assist the chronically homeless using the Housing First and Harm Reduction model, in which clients are immediately housed and then barriers are worked on. In July 2014, Coordinated Entry began in Clark County. Anyone identifying as homeless can be referred to Clark County for a Housing Assessment or to complete an assessment with the Crisis Teams who work in places not meant for human habitation. They can also come to HELP of Southern Nevada. Once the assessment is complete, it is sent to the Community Matchers, who will send the referral to a housing provider who has vacancies.

Home; Built for Zero; The Next Step; A New Start; Anthem Shared Housing are housing programs that provide intensive case management to chronically homeless individuals, who have a documented disability. These programs focus on providing supportive services to clients to overcome barriers to becoming self-sufficient and self-reliant. All Intensive Case Managers (ICM) are SSI/SSDI Outreach, Access, and Recovery (S.O.A.R.) certified by the Social Security Administration. This allows the ICM to expedite the benefits application for our clients with permanent disabilities. Some ICM's are SNAP (Supplemental Nutritional Assistance Program) certified. This allows the ICM to assist the client with the application process for food stamps. There are now 18 Housing Quality Standard Inspectors (HQS) to ensure when clients are moving into their apartments, it meets or exceeds the Housing Authorities standards.

These clients are connected with services to stabilize their mental health issues and address other barriers that have led to their homelessness. The main goal is designed to provide services to persons who are homeless with a disability and find appropriate housing while they engage in treatment to overcome barriers and becoming self-sufficient.
