

Dear Friends,

The season of giving is fast approaching and HELP of Southern Nevada is seeking individuals, companies, churches, service and fraternal groups to “adopt” a needy family this winter holiday. For many years HELP of Southern Nevada’s Adopt-A-Family program has provided assistance to hundreds of Clark County residents and their children each year. In 2010, through this program over 420 families had a brighter holiday because of the generosity of our Adopt-A-Family sponsors.

As with all HELP programs, clients are screened meticulously to insure eligibility. We also work closely with two other major holiday assistance programs to eliminate duplication and abuse of the Adopt-A-Family program.

Should you adopt a family, you will be provided with a copy of a “wish list” from the family. This wish list usually includes clothing with sizes and toys. It is not required that the sponsors fulfill the entire list, but can be useful as a shopping guide. We insist that all items be new and not used. The level of participation is determined by the individual sponsors adopting a family.

HOW DOES IT WORK?

- Upon receipt of your completed registration form we begin the process of matching you with a family or families. Families will be available for “adoption” Monday, November 14th. The last day to “adopt” is December 5th.
- You will be paired with a family(s) that matches the size requested on your sponsor registration form.
- Review the family’s wish list to determine the items you would like to purchase for the family
- Once the gifts are purchased we ask that you wrap and tag each present. The tag should have the following information: **Last name and the family adoption number** (the number will be given once you are matched with a family) All gift cards intended for the family must NOT be wrapped, but given to the Adopt-A-Family coordinator.
- The bags/boxes of gifts will need to be delivered to 1690 E. Flamingo Rd. Once you are matched with your family you will be given your designated drop off day. Drop off dates are: Thursday December 15th, for donors with 10 or more families, Friday December 16th and Saturday December 17th.

After we receive your completed application and we match you with a family we will send you a checklist and calendar. You will also receive your family name and family adoption number. The family adoption number is to be put on all the items you donate.
